Burgess manifested the most up-to-date and far-seeing. This numbering has now been continued to the end of the List.

It was evidently his intention to give the fate of the clergy, whose names appear on the List, have been called home since the time of his decease. Many of the clergy, whose names appear on the List, have been given in this printed volume. Such additions are distinguished by square brackets, thus, [J.]. This sign shows the reader named by the copist, and it also indicates the very few alterations suggested by him. Both additions and alterations are indicated by the copist.

The Index is the sole work of the copist. Whether it adds anything to the value of the book or not others must decide.

The copist may perhaps be permitted to say in conclusion, that during the progress of the attempt to bring this volume before the public he has repeatedly been reminded of the saying:

"Heaven from all creatures hides the book of fate,"

Could he have foreseen one-half the labor and disagreeables which this enterprise has involved, he would certainly never have entered upon it.

BROWN'S BRONCHIAL TROCHES are offered with the fullest confidence in their efficacy. They have been thoroughly tested, and maintain the good reputation they have justly acquired. These Lozenges are prepared from a highly esteemed recipe for alleviating Bronchial Affections, Asthma, Hoarseness, and Coughs.

Singers and Public Speakers

will find **Troches** useful in clearing the voice when taken before Singing or Speaking, and relieving the throat after an unusual exertion of the vocal organs. The Troches are recommended and prescribed by Physicians, and have had testimonials from eminent men throughout the country. Being an article of true merit, and having *proved* their efficacy by a test of many years, each year finds them in new localities in various parts of the world; and the TROCHES are universally pronounced better than other articles.

BROWN'S BRONCHIAL TROCHES.

"I have never changed my mind respecting them from the first, excepting to think yet better of that which I began thinking well of."

REV. HENRY WARD BEECHER.

"For Throat-Troubles they are a specific."

N. P. WILLIS.
[From Mr. T. DUCHARME, for many years Chorister of French Parish Church, Montreal]

"It gives me great pleasure to certify to the efficacy of your Bronchial Troches in an affection of the throat and voice induced by public singing. They have suited my case exactly, relieving my throat and clearing the voice so that I could sing with ease."

[From Rev. HENRY WILKES, D. D., Pastor of Zion Church, Montreal.]

"When somewhat hoarse from cold or over-exertion in public speaking, I have uniformly found Brown's Troches afford relief."
